SCHOOL REPORT

"The fiscal year of town and special school districts beginning February 16, 1917 shall end August 31, 1918, and thereafter the fiscal and the scholastic year shall end August 31, annually."

This change was approved by the Governor on April 4, 1917. Practically all school meetings had been held and in few instances would the appropriations be sufficient to carry on the schools for the extra six months. Your attention is called to this matter so that there may be sufficient appropriations made at the coming school meetings to support the schools until August, 1919.

Agreeably to this change in the school law the accounts of Warren School District do not close until August 31st, 1918; therefore the school board will present the books at school meeting for inspection and information.

As required by law we submit the following estimates for the coming year:

Text books	\$350.00
Fuel	350.00
High school tuition	385.00

WILBUR C. GORDON,
WILLIAM B. NICOL,
NETTIE P. BROWN,

School Board.
